Wharf to Rail Transfers

With rail being a central and ever-growing area of our Business, we provide interstate connections for international import and export cargo as well as to key regional areas.

We have dedicated wharf cartage arrangements at all major ports as well as local transport partners so wherever the container needs to go to or come from, we can make this a seamless and one-stop part of your international shipments. Please get in touch with our sales team on sales@austcoastal.com.au for further information and a trouble free quote.

Empty Container Collection & De-hire: What you need to know

Once an empty container is confirmed, please allow up to 3 business days for collection. These collections are arranged at our Transport providers' discretion and may happen without prior notice to ACS.

If the site isn't always attended, or a call is needed before arrival, make sure to include a note in the booking template — for example: *"Site not always manned – please call on approach."*

Just a reminder: containers must be confirmed as empty before we can arrange pickup.

If you need a specific time or an urgent collection, extra charges may apply.

Meet Trish

Trish is part of our Operations Team and came aboard just over two years ago as a Customer Care Specialist and has been happily keeping our clients looked after ever since.

What does the perfect weekend look like? 27 degrees, blue sky, no wind, no housework and I've won the lotto.

What are you watching on TV? Reign, Handmaids Tale and just general trashy movies on Netflix.

Top 3 places you've visited? Gennep in the Netherlands - my father's birthplace and hometown, the most beautiful quaint little village. Nauru - lived there for 18 months when I was a child, many years ago. So many places I love in Australia, it's hard to pick a 3rd - Northern Rivers area in NSW if I had to choose.

Perfect Holiday destination? Chile - only to go to the World's largest pool.

Introducing Trish's fur babies. Luke the Cavoodle, the light-colored dog who will be 16 this year and Timmy the Tiboodle (black dog) who is coming up 4. The most spoilt dogs but Trish wouldn't have it any other way.

Tower Trail Run

The Tower Trail Run is an annual trail running event held in Mount Gambier's picturesque Crater Lakes region. Participants choose from four race distances: 5km, 10km, 21km half marathon, and 56km ultramarathon, attracting runners of all skill levels. As the second event in the prestigious SAFIVE50 South Australian Trail Running Series, it draws significant numbers of non-local entrants.
